

Cherish Challenge Larapinta 2020

Trip Highlights

Raise awareness and funds for Cherish
Women's Cancer Foundation

Trek the West MacDonnell Ranges

Summit Mount Sonder for a sunrise challenge

Camp in sustainable semi-permanent campsites

Trek the best sections of the Larapinta Trail - highlights along
the trail including Ormiston Gorge and Standley Chasm

Gain a deeper understanding of the ancient Indigenous
culture and Traditional Owners of the land

Trip Duration	7 days	Trip Code: CW2
Grade	Moderate	
Activities	Trekking, Charity Challenge	
Summary	5 nights camping, 1 night Alice Springs Hotel	

Supporting Your Cause

Go Bush For Women's Cancer!

In 2020, we're taking Cherish to the centre of Australia by trekking the epic Larapinta trail. We need to mobilise as many friends, workmates and families as possible to trek this ancient land for modern research.

Why?

Each year in Australia, 6,000 women and girls are diagnosed with gynaecological cancer. One-third of these women will not do well. We can change that. The Cherish Women's Cancer Foundation exists to help find and fund vital research that results in kinder and more effective treatments for women. We urgently need to improve the odds of surviving gynaecological cancer, and the most effective way is through research. Our teams of researchers are ready. They are only limited by the funds available.

We're calling for bold individuals ready and willing to escape the daily grind and go bush for women's cancers. The rewards for trekking over six days will be great. Imagine exploring this rugged terrain, sharing the Larapinta Trail with like-minded adventurers or your family, swimming in remote rivers, sleeping under a blanket of stars, and knowing you've done your bit to raise vital funds for much-needed research. Can we count you in?

Your Huma Challenge

Thank you for your interest in Cherish Challenge Larapinta 2020. Huma Charity Challenge is a division of the worldwide adventure travel company World Expeditions. When joining a Huma Charity Challenge you embark on a remarkable journey to discover your inner philanthropist as you raise money for a charity that is important to you. At the same time you take on the challenge of fundraising and partake in an adventure to discover new worlds, new landscapes and new cultures ... perhaps you'll even discover how far your personal boundaries stretch as you take on a physical challenge. Our itineraries are well researched, affordable and tailored for the enjoyment of small groups. They will provide the very best travel experience, designed by people with vast local knowledge who share our vision of authentic exchange and real exploration with a responsible travel approach at the core.

	25 Jun - 01 Jul
	02 Jul - 08 Jul

important notes

RF - Registration Fee

DO - Minimum charity donation/fundraising

What Impact Will My Fundraising Have?

To make a difference in the lives of women and girls with gynaecological cancer, we need people like you!

There are many ways your fundraising will have an impact:

1. 100% of the money raised will support research that improves survival rates, treatments and ways to detect and prevent gynaecological cancer. There are successful research trials that have changed how doctors treat patients and which would never have started without fundraising support. Currently, research trials in uterine, ovarian and vulval cancer need funding. These projects will address impactful research problems, some of which have been unsolved for more than 30 years.
2. You and Cherish will raise awareness that saves lives. The more women know about this disease and its symptoms, the more likely they are to see their doctor if something's not right. Awareness will help prevention.
3. You'll show your support to women and girls across the world. Unlike breast cancer, gynaecological cancer is not well-known or understood. Often women diagnosed with it face unnecessary stigma and embarrassment. By fundraising, you're saying to each of them, "I am with you."
4. You'll join a warm and welcoming community that appreciates every effort you make to support its cause.

Fundraising Impact?

Your fundraising will help 6,000 women diagnosed with gynaecological cancer every year in Australia. Most people assume that only older women get gynaecological cancer, but women can get it at any age. Nickita was just 17 years old.

Nickita was finishing school and looking forward to Christmas when she was diagnosed with ovarian cancer. It turned her world upside down. Nickita had thought her expanding tummy was weight gain and exercised more. Then, realising it was something more serious, she finally asked her mother to take her to the doctor. To Nickita's shock, the GP thought she was pregnant! Instead, an ultrasound revealed a large mass growing near her uterus. After more tests, the doctors confirmed she had ovarian cancer. Instead of partying when school finished, Nickita started treatment. After surgery to remove the massive tumour, Nickita also had chemotherapy. She became vigilant about her health.

These days, Nickita is a biomedical/medical engineer, and she's doing well. She says: "Please fundraise for the sake of the women you cherish, so vital research can continue. I wouldn't be here without it."

Advice for people with limited mobility

This trip is not suitable for people with limited mobility.

Your fundraising will help 6,000 women diagnosed with gynaecological cancer every year in Australia.

Your Adventure

The Larapinta Trail is one of the finest walks in Australia. Walking the high ridgelines of the West MacDonnell Ranges we gain a rare perspective of vast flood plains, the razorback rocky outcrops and sheer scale of this ancient land. We follow an itinerary that will appeal to the active walker. You will need to carry only a light pack as a support vehicle will meet us at our campsites with bush tucker that will exceed expectations. There will also be plenty of time to reflect on the variety of walking from trails that descends from the ridgeline into narrow canyons where sheltered pockets of delicate fern and twisted gum trees grow from the dry rivers of sand.

Fundraising Options

There are a number of ways you can approach your fundraising:

1. You pay for the travel costs yourself and fundraise the charity donation.
2. You may choose to pay for the entire amount yourself and claim the charity donation component as a personal tax deductible donation to your charity.
3. Lastly you can fundraise as much as you can of the charity donation portion in the given time and personally fund the balance of fundraising total if needed.

Responsible Travel

The environments we travel through are fragile. It is our responsibility as visitors to minimise the impact of our presence. World Expeditions were the proud recipients of the inaugural Australian National Travel Industry's Environmental Achievement award for our Responsible Travel Guidebook. This detailed guide to responsible & sustainable travel is provided to all World Expeditions clients before they travel. Please ask your consultant if you have not received your copy of our award winning book. Alternatively, you may like to download a copy from our website www.humacharitychallenge.com

Trip grading

Online Fundraising Portal

You will have your own fundraising page which will chart your fundraising targets and your journey to Larapinta. The Cherish Women's Cancer Foundation team will be in touch with you upon registration and provide you with a link to create fundraising page and link you can send to your followers. You will also receive a comprehensive confirmation kit that includes a Fundraiser's Guidebook; a great resource for fundraising ideas and support. The minimum fundraising target is \$3500 per person.

Itinerary at a Glance

DAY 1	ARRIVE ALICE SPRINGS
DAY 2	TELEGRAPH STATION TO WALLABY GAP (13.5KM) AND ONTO NICKS CAMPSITE (8.5 KM)

cherish women's cancer foundation

Moderate

To determine the grade of a particular adventure we consider a number of factors. These include the condition of the walking terrain, the altitude, the number of passes crossings and the length of the trek. The Larapinta Challenge is graded moderate. This trek involves 6 – 8 hours walking each day over rugged terrain with some steep ascents and descents. In order to complete this trek we advise that you undertake regular exercise three or four times a week for at least three months prior to your departure. Hill walking with a day pack is recommended.

Adventure Travel

By its very nature Charity Challenges involve an element of the unexpected. In remote areas do not expect standards you are used to at home. Remote areas are sometimes unpredictable and itineraries may be altered. To get the most out of your adventure it is important that you are suitably fit, flexible, positive and eager to take on all the challenges that arise. If you are uncertain about your suitability for this trip we recommend that you speak with your charity representative or one of our team.

Important Note

These trip notes represent the most current information for this itinerary, and may supersede any other supplied information, including but not limited to the itinerary and price. The itinerary should be seen as a guide only. This itinerary may change at any time due to inclement weather, forces of nature and other circumstances beyond our control.

- Catering & dining utensils
- Off-road transport from Alice Springs
- All National Park and camping fees
- Comprehensive group first aid kit
- Emergency radio/sat phone
- Huma training manual and gear list
- facebook group page to chat with your fellow supporters
- 10% discount on supporters travel insurance
- Fundraising support from setting up your online page to tips to reach your target

What's Not Included

- Airfares
- Items of a personal nature, such as laundry and postage
- Daypacks
- Sleeping Bag hire
- Alcoholic beverages
- Travel insurance

Detailed Itinerary

DAY 1 Arrive Alice Springs

After all the fundraising and preparation, the wait is finally over! You will make your way to your Australian gateway airport for your booked flight to Alice Spring. On arrival please make your own way to Aurora Hotel, as supporters are arriving at different times, recommend airport shuttle approx \$15 one way.

Standard twin rooms have been booked at Alice Springs Hotel, we will gather at 3pm for a meeting with your guide for a brief about the trek. Then a group dinner has been organised at local restaurant to meet your fellow trekkers.

meals: D

DAY 2 Telegraph Station to Wallaby Gap (13.5km) and onto Nicks Campsite (8.5 km)

We pick you up from your accommodation between 7-7.30am and begin our walk at the historic Alice Springs Telegraph Station, the official start of the Larapinta Trail. From here the trail takes us west through witchetty bush, mulga scrub, and bird-filled shady woodlands. We climb high over exposed hills to the jagged outcrop of Euro Ridge, with expansive views over Alice Springs and the surrounding landscape, before descending to the deep narrow passage of Wallaby Gap.

After a stop for refreshments you have the option to extend your walk and head to Nick's Camp on foot, or to transfer by bus. Nick's Camp is one of our exclusive award-winning camps, nestled in the bush with stunning views across the Heavitree Range and Alice Valley. Following your introduction to camp you will be greeted by local bush food specialist, Rayleen Brown, who will give an informative presentation about native bush foods with tastings (subject to availability).

DAY 3 Nicks Camp to Simpson's Gap (10 km) Plus Standley Chasm and lookout Walk (5km)

From Nick's Camp we continue west through magnificent, shady Bloodwoods and tall Ironwoods, the dominant trees on this narrow alluvial flat. We may catch sight of Black-footed Rock Wallaby as we approach one of the most important waterholes of the area, Simpsons Gap. A short transfer takes us to the stunning Standley Chasm where you will be welcomed to country by Deanella Mack from Cultural Connections (subject to availability). After lunch and a walk into the magnificent Chasm – a private reserve still run by the traditional owners – we transfer to back to our campsite.

Walking Time: 3-5 hours

meals: **B,L,D**

DAY 4 Serpentine Gorge to Charlie's Camp (13km), optional walk to Serpentine Chalet Dam (2km)

Today's highlight is the 5km walk along the crest of the high ridge leading to Counts Point. From here we have clear views of Central Australia's western horizon to Mt Zeil (1531m), the highest peak in the Northern Territory, and Mt Sonder which marks the end of the Larapinta Trail. We can also see the huge comet crater of Gosse Bluff, a feature of the landscape for the next few days. We descend from the high ridgetop through mysterious stands of mulga trees.

At the base of the ridge we follow a track of dolomite limestone toward camp; keep your eye out for fossil stromatolites under foot, one of the most ancient forms of life. Stepping off the main trail, we follow our private track to Charlie's Camp, named in honour of pioneering Larapinta guide Charlie Holmes. Tonight's camp is nestled in secluded wilderness at the foothills of Counts Point. An optional afternoon walk to Serpentine Chalet Dam reveals early history of the area and the chance for a refreshing swim.

Walking Time: 5.5-6.5 hours

meals: **B,L,D**

DAY 5 Charlie's Camp to Ochre pits (8km), optional walk Ormiston Gorge to Finke River (10km)

After breakfast we walk out of camp to the breathtaking Inarlanga (Echidna) Pass. We spend some time in the magnificent pass to enjoy the peace and marvel at the ancient cycad palms. From here we trek south-west to an original ochre quarry, a sacred Aboriginal site. The rainbow of vibrant colours on the wave-like ochre wall makes for stunning photos. We then break for a picnic lunch and an early finish in preparation for our big day tomorrow.

Your guides will offer numerous afternoon activities such as: visit Finke River (estimated to be the oldest river in the world), relax at Glen Helen Homestead Lodge, or take on a challenging 10km trek from Ormiston Gorge through diverse desert lowlands and creek country. We transfer west to one of our exclusive Camps. Fearless – named in honour of trekking guide Sue Fear, or Sonder Camp - named after the majestic Mt Sonder. Both Camps are located at the foothills of Mount Sonder.

Walking Time: 3-7 hours

meals: **B,L,D**

DAY 6 Mount Sonder 16km, early morning sunrise walk.

Your guides will have you up early this morning (3am) for our pre-dawn walk up Mount Sonder. Weaving your way up to the 1380m summit of this majestic mountain following only the glittering light of your head-torch, surrounded by deep and peaceful darkness, is a truly inspiring experience... and watching the sunrise from the top is unforgettable! Mount Sonder is the official end and highest point of the entire Larapinta Trail and as such we have expansive views across the entire vast landscape we have been exploring over the last few days.

We descend to Redbank Gorge and can enjoy a great brunch on the Finke River. If time permits in the afternoon we may visit the Glen Helen Homestead at the base of the West MacDonnell Ranges. A short transfer returns us to camp looking back up toward Mt Sonder.

Walking Time: 6-7 hours

meals: **B,L,D**

DAY 7 To Alice Springs.

Pack up and head back to Alice, we might have time to drop by Kungas Can Cook for morning coffee before being dropped off at the airport by 11am for your flight home.

meals: B

This itinerary is subject to change with any modifications in Community regulations as well as Governmental changes and natural circumstances beyond our control.

Climate

In the Centre, the four traditional seasons are more distinct and temperatures are extreme, plummeting below freezing on winter nights (June to August) and soaring to the high 40s (105 F plus!) on summer days (December to January). Trekking on winter days is often pleasant with mild daytime temperatures (15-25C, or 60-80 F) and light winds. Please make sure that you prepare for the cold evenings on winter treks, there can be frosts most evenings from June – August. The shoulder seasons of April-May and September are mild with some warmer days. Night frosts are unlikely and daytimes are warm and occasional hot days may require an adjustment to the itinerary (ie: less walking, more swimming!) Rain is not common in the desert but it does rain on occasion, please be prepared for wet and windy conditions on all trips.

A Typical Day

The detailed itinerary indicates the walking distances for each day. Some days are easier than others. We move from gorges to ridgelines, and as such there is a reasonable degree of uphill and downhill climbing and the rocky ground can be rugged at times.

This adventure is operated solely by World Expeditions. The vehicles we use for transport on our Larapinta Experience are Toyota Landcruisers or Coaster minibuses. We take a maximum of either eight (Landcruiser) or sixteen (Coaster) passengers plus a driver per vehicle. Our vehicles are registered as commercial tourist (passenger carrying) vehicles. We have well equipped camping trailers and large water tanks.

Mental preparation for your 6-day trek can not be highlighted enough. Come open minded and ready for a wonderful experience whatever the weather, whoever the group, whatever your preconceived ideas. Your guides will be working to enhance your trek and maximise your safety.

Each day will start with a hot drink call from your guides. They will then prepare breakfast, whilst you prepare for the day and pack up all your equipment. After breakfast the guides finish their last minute packing and you set off for the day's walk. Each day is different but usually the morning walk is 3-4 hours with numerous snack, photo and water breaks along the way.

A leisurely lunch is served and a chance to put your feet up and simply take in the magnificent scenery. The afternoon walk is usually shorter than the morning walk getting us to camp with plenty of daylight and time for exploring, relaxing or just enjoying a welcome hot drink and a chat. A hot dinner and dessert is served around 7pm with time to tell a few stories and hear a brief on the following day's activities.

Meals During the Trek

World Expeditions aims to provide high quality, interesting and nutritional meals for all our guests. Wherever possible we use fresh produce sourced from local providers and carefully selected, stored and transported so as to maintain freshness and quality. There is often plenty of fresh fish, meat or other protein based main dishes and fresh salads. On most trips we re-supply with fresh food every few days however on some more remote trips we may go longer before we can stock up on fresh food.

cherish women's cancer foundation

cherish women's cancer foundation

Our guides have remarkable wilderness culinary skills and pride themselves on the variety and standard of their meals, and the ability to cater to most dietary requirements (e.g. vegetarian or gluten free). Please ensure you let us know if you have a birthday or special occasion during the trip so we can help you commemorate the occasion! The following is a general guide:

-Breakfasts: Ranges from cooked eggs and bacon on toast, to continental (fruit, cereal, yoghurt). Always accompanied by fresh coffee and hot drinks.

-Lunches: Depending on the trip, you may prepare your lunch such as wraps or sandwiches in camp before the day's trek. Or we may have a picnic style lunch on the track with a wide selection of bread rolls, wraps, deli-meats, salads and spreads to prepare a tasty lunch how you like it.

-Dinners: 2-3 courses. The main meal is usually a classic outback style meal such as grilled barramundi, camp-oven roast, or perhaps a tasty stirfry or pasta dish.

-Snacks: Your guides will always have plenty of trail snacks available such as muesli bars and fruit. In the evenings we often serve hors d'oeuvres around the camp while dinner is being prepared.

Dietary Requirements

Provided we are advised in advance of your departure we are able to cater for vegetarian diets and can assist with medically recommended diets (allergies and intolerances). Please ensure you discuss your requirements with us well in advance (at least 1 month prior to your trip) to determine whether we can cater to such dietary requirements on your chosen adventure. Please note that options are likely to be limited in very remote locations or alternatives may be more expensive or unavailable. There may be times when those with special requirements may need to provide their own food. We are unable to guarantee a peanut-free or allergen-free trip, and therefore, we strongly encourage that travellers with life-threatening or severe allergies take all necessary medical precautions to prepare for the possibility of exposure. Passengers must travel with all necessary medications for food allergies and be capable of self-administering these medications.

Accommodation on the Trip

During the trip we stay at our exclusive semi-permanent wilderness campsites. Nestled amongst the hills just off the Larapinta Trail, these camps offer a relaxing and comfortable stay in remote locations. Our exclusive campsites are fully set up, so there is no need to worry about pitching or packing away tents. Each site has a large covered area in which to relax at the end of a day of walking, with lounges, dining table and kitchen. Beside this shady communal space is our campfire, the perfect place to gather as the sun sets.

The toilet facilities are clean and comfortable. All toilet waste goes in to a composting tank, ensuring the environment is protected. There are simple shower facilities: a bucket of water heated over the fire is strung up, providing a few minutes of wonderful hot shower. All water is brought in by tanker as there are no suitable local water sources in the arid ranges.

Cherish Challenge Larapinta 2020

Join Cherish to walk the Larapinta and raise awareness and much needed funds for Gynaecological Cancer Research.

cherish women's cancer foundation

cherish women's cancer foundation

The safari-style tents offer plenty of room for two people and gear. Luggage should be kept in the tent at all times, preventing dingoes from taking shoes and other items. You sleep on a stretcher bed in a swag. The stretcher beds raise you 40cm off the ground and offer a firm, flat base for the comfy swag mattress. The swag is a 5cm thick foam mattress inside a canvas cover. We provide a cotton fitted sheet, pillow and pillowcase, which you keep for the entire trip. You can take your swag outside the tent and sleep under the stars if you are looking for that real outback experience.

Sleeping bags are essential for warmth. You can bring your own or hire (please contact Huma if you would like to hire). We ask that you provide your own inner sheet if you hire a sleeping bag. Most groups are made up of a mixture of single participants and couples. If you are travelling independently you will share a tent with someone of the same sex; this usually sorts itself out naturally.

What You Carry

The Larapinta Challenge is a fully supported trek. You will need to carry just a day-pack with your water bottles, jacket, camera and other personal items. You should plan on carrying at least 3 litres of water each and every day.

Equipment Required

Specialist gear required include walking boots and day pack (a comprehensive gear list is provided in the pre-departure information provided on booking).

How To Book

To register on this Charity Challenge please complete the registration form and return to Huma Charity Challenge, Attention Fiona Windon. Email: fiona@humacharitychallenge.com.au
